

SIDE RISERS

RECOMENDED SLEEVE SIZE

Notes:

1. "Riser size" refers to the larger of the supply and return risers on each unit.
2. Risers are protected by a steel riser cover extending the height of the cabinet.
3. Riser spacing shown accomodates 2" risers with 1/2" armafex insulation (standard) and a 1" condensate drain riser with **optional** 3/8" armafex insulation.

RISER SIZE	MINIMUM J	MINIMUM K
3/4	6	10
1	6	10
1 1/4	6	10
1 1/2	6	10
2	6	10

All dimensions in inches.
