

REAR VIEW  
RIGHT HAND UNIT

REAR VIEW  
LEFT HAND UNIT

NOTES:

1. Rear return air is always in addition to, not in lieu of, the front return air grille which is required for service access to the unit interior.
2. Return grille, when furnished, is clear anodized aluminum.
3. Dimensions W and H are the opening size as well as the nominal grille size.
4. Perimeter of return air opening has a 1/2 inch deep plaster flange.
5. Each grille includes a 1/2 inch thick throwaway filter as standard.
