

UNIT SIZE	A	B	W	X	Y	T
201/301/401	16	17	14	14 1/2	19 1/4 MIN.	1 3/4
601/801	18	20	16	16 1/2	22 1/4 MIN.	2 1/4
1001/1201	20	22	18	18 1/2	25 1/4 MIN.	2 3/4

All dimensions in inches.

Notes

- IMPORTANT:** For maximum R.A. flow flush mounted acoustical panel must be centered in front of R.A. opening in cabinet for proper access and chassis removal. Supply air duct may be required to prevent short cycling.
- Acoustical panel is fabricated of "paintgrip" galvanized steel for field painting by others

WATER SOURCE HEAT PUMPS
